

Vindö 32 from 1976

Beautiful Swedish build Classic Sailboat in Glass Fiber hull (GRP) and fantastic mix of Teak and Mahogany interior, roof, seatings etc. Build 1976 on the famous Vindö yacht varf (Nötesund Varf) on the west coast of Sweden and designed by Carl Andersson.

This well maintained long keeled classic sailor is the perfect sailor for a couple or several couple to share, and sail the coast of Algarve, Spain and even in the Mediterainian. Perfect for daysails or over-nights and with the long keel and draft of only 1,3 meter she is perfect to anchor in Alvor, Portimão or amazing Olhão by Faro... or why not a trip up the Rio

Guardiana to Alcotim.

She is easy to sail single handed or by two people and sails nicely in even light winds.

She is in good condition. The teak deck and the mahogany superstructure are very well maintained, several improvements has been made by the current owners who bought her in Holland and brought her here to Portugal some years ago.

Roof in the Cabin was re-done in 2013 and in superior condition. Next to that, the engine was replaced with the 18hp Volvo Penta 2002 and transmission MS2B in 2002 and have only estimated around 300-500 hours.

The rigging of the boat was checked yearly as she was out of water every winther. Sails from Zwaan sails in Holland are in very good condition and from 2016, as well as Sprayhood and cover.

Seacocks, toilet, Raymarine instrument, batteries (50ah) and many other improvements from 2019.

No osmosis or sign of such. Hull repainted by Waarschip in Holland 2019. Anti-fouling painted by Sopromar 2022.

She comes with all fenders, mooring lines, 2 anchors, kitchenware etc. and can be seen on the B pontoon in Lagos Marina.

LOA: 8.95 m | LWL: 6.95 m | Beam: 2,75 m
