

## Bavaria Vision 50 – 2007 EU VAT Paid status, Blue Water Cruiser

Fantastic, German registered yacht, in very good condition with a lot of extras for cruising and live-aboard! The boat never sailed for charter!

Do you want to go on a longer cruise, sail across the Atlantic – or preferably around the world? Maybe just coastal cruising or live-aboard? – You need comfort, space and practical solutions for water, enough power for your appliances, good internet connection and not least safety. Here is the boat for you!

The owners (and their professional captain) have put a lot of work, money and not least a lot of time into this yacht in the past years. All their requirements for comfort and safety for a life under sail were fulfilled in this fine Bavaria Vision 50.

In terms of power supply, at anchor or under sail, you are self-sufficient with this ship. The many solar panels and large lithium battery bank provide electricity for your

This is one of Bavaria's more successful models of large family sailboats. With its fine lines, large spaces and well-built hull and interior, the boat is perfect for those looking for a great family cruiser for a good price. The manufacturer wrote: The yachts of BAVARIA's VISION line offer an increased standard equipment compared with the current cruiser line and a new dimension in speed potential by using new hull designs, a ballast ratio of above 35%, and significantly increased sail areas.

Step on board via the hydraulic swim platform which leads to twin helm stations allowing for easy access through the transom. The spacious cockpit allows for plenty of room to move around with the pop-up table situated in the middle. This same pop-up table is the perfect size for entertaining in the sheltered cockpit.

The interior creates a comfortable, contemporary interior with nice well maintained wooden interior. Her 3-cabin
