

Beneteau Oceanis 50 - 2007

EU VAT Paid status, 100% "ready to go"

Boat is now in Almerimar in Spain until April 2025

Great yacht in excellent condition with a lot of extras! This is one of Beneteau's more successful models of large family sailboats. With its fine lines, large spaces and well-built hull and interior, the boat is perfect for those looking for a great family cruiser for a good price.

This 2007 Beneteau Oceanis 50 is the perfect option for both offshore cruising, Blue Water Cruising, as well as extensive coastal cruising. Updated with an amazing list of improvements, just a year ago for Blue Water Cruising.

Upgrades include among others, new Main sail, Targa Frame and Davids, Rocna 33kg anchor and 90m 12mm Chain, 875 W Solar Panels (5 x 175 W), on Targa, NEW 675 Ah battery bank, 1600 W Inverter, STARLINK, Smart TV in two cabins and saloon, newer instruments and Raymarine Axiom Plotters (3), AIS, Camera in Masttop, new Lifteraft, all seacocks and thru hulls changed to composite

FACTS

Spinnaker boom: 1 New 2023

Trudesign 2022, new (2023) Zodiac 330 Rib, Aluminum with 15HP Mercury outboard, all light LED and lots more.

Everything you need for cruising or long-distance sailing is here! The current owners have updated in all details when they started their family cruising last year, although she was already in good condition before, when she sailed in Denmark.

Step on board via the swim platform which leads to twin helm stations allowing for easy access through the transom. The spacious cockpit allows for plenty of room to move around with the pop-up table situated in the middle. This same pop-up table is the perfect size for entertaining in the sheltered cockpit.

The interior, designed by the Italian superyacht designers Nauta Design, creates a comfortable, contemporary interior. Her 3-cabin layout features the owner's berth with large ensuite bathroom with head and shower forward, and twin double cabins aft with head and separate shower area (now used for washing machine) providing plenty of room and privacy for family and guests.

Inside very bright and roomy Salon. Plenty of hatches and windows that provide great airflow and light.

Along the port side you find a kitchen counter with 4-burner stove, oven and 2 refrigerators (with small freezers) and 2 separate sinks practically placed by the stairs to the cockpit.

Boat History:

Forseti is currently owned by a Danish family with two children who for the last year used her as Blue Water Cruiser in Europe giving the owners plenty of confidence in several offshore passages.

Forseti is now in the Mediterranean – Almerimar, where their journey ends after a year of cruising. It is now time for the family to head back to work and school and therefore their Blue Water Sailing ends.

The previous owners have all been Danish owners, using the boat for holidays and spare time, while hauling out and store the boat almost half the year. The boat is therefore sparely used and have never been chartered.

Forseti is registered in Denmark (EU)

Broker can arrange video footage of the boat and any details as well as a video meeting from the boat with the owners if needed.

Transport sail to other EU destinations possible if required by new owner as a separate agreement.

DETAILED SPECS

Solar Panels (875W) and Controllers:

- Victron 5* 175W w solar panels. (2023)
- 2x Victron 100/30, 100/50 MPPT Charge Controllers (2023)
